

Sofinancira program  
Evropske unije  
Erasmus+

Pozdravljeni\_e,

Evropska univerzitetna športna zveza (EUSA) in EUSA institut vas vabita na delavnico v okviru projekta *Innovating Football Leadership through Practice and Policy* (iFlipp), ki ga sofinancira program Evropske unije Erasmus+. Cilj projekta je povečati in izboljšati vodstvene sposobnosti žensk in predstavnic/predstavnikov etničnih manjšin v nogometu in ostalih športnih organizacijah.

Delavnica je namenjena vsem, ki želijo podrobneje spoznati cilje in namene iFlipp projekta in jih zanimajo priložnosti in delo v športnih in drugih organizacijah. Delavnica je sestavljena iz teoretičnega in praktičnega dela. Teoretični del obsega predstavitev projekta, praktični del pa bo namenjen izmenjavi izkušenj udeleženk in udeležencev, razbijanju stereotipov in analizi primerov. Svoje izkušnje bodo z nami delile ženske, ki so po končani športni karieri poklicno pot nadaljevale v športnih organizacijah in klubih.

Naprošamo vas, da vabilo na delavnico posredujete vsem zainteresiranim in da na delavnico predlagate/nominirate osebo iz organizacije, ki bi jo delavnica zanimala.

Delavnica bo potekala v četrtek, 10. junija, 2021, med 10:00 – 15:00 v Ljubljani. Točna lokacija bo sporočena naknadno in bo potekala v skladu z navodili za preprečevanje širjenja okužbe Covid-19. V primeru večjega poslabšanja epidemičnih razmer bo potekala virtualno, sicer pa v živo.

Prijave sprejemamo preko spletnega obrazca <http://bit.ly/iflipp-workshop> in sicer do petka, 28. maja. Po zaprtju prijav boste prejeli podrobnejše informacije glede delavnice.

Co-funded by the  
Erasmus+ Programme  
of the European Union

Dear colleagues,

The European University Sports Association (EUSA) and the EUSA Institute invite you to a workshop within the *Innovating Football Leadership through Practice and Policy* (iFlipp) project, co-financed by the Erasmus+ programme of the European Union. The aim of the project is to increase and improve the leadership skills of women and representatives of ethnic minorities in football and other sports organizations.

The workshop is intended for anyone who wants to learn more about the goals and purposes of the iFlipp project and is interested in opportunities and work in sports and other organizations. The workshop consists of theoretical and practical parts. The theoretical part includes a presentation of the project, while the practical part will be dedicated to exchanging experiences of participants, breaking stereotypes, and analysis of cases. Women who have continued their careers in sports organizations and clubs after finishing their sports careers will share their experiences with us.

The workshop will take place on Thursday, June 10, 2021, between 10:00 and 15:00 in Ljubljana. The exact location will be announced at a later date and will follow instructions to prevent the spread of Covid-19 infection. In the case of major deterioration of the epidemic situation, it will take place virtually, otherwise it will be held in person.

Applications are accepted via the online form at <http://bit.ly/iflipp-workshop> until Friday, May 28th. After closing the applications, you will receive more detailed information about the workshop.
